25X1A 3. Project [REDACTED] was responsible for a large portion of the workload this month. Fifty requisitions representing 2100 items were initiated on a priority basis and sent to OL on 25 October. Chief, MSB visited the [REDACTED] to complete arrangements for special box markings to facilitate handling and transshipment at Saigon. Present planning calls for shipping all items simultaneously for arrival at Saigon by 1 January 1966. Five generators ordered previously for [REDACTED] are scheduled for arrival at Saigon in late December.
